QXN Series Precision Screwdriver

REAL TOOLS FOR REAL WORK.™

The Future is real, the Future is now

QX series - the family grows with QXN - Plug & Play

The innovative QX Series has already proven to be the best in class for fastening control. You can now enjoy even more with **easy programming as a revolutionary step** for your entire facility, one that shows how a smarter tool can improve process control, operator comfort, lowering costs and ensuring a high-quality product at the end of your line.

Tools that put you in total control are the future of assembly. That future is here, that future is REAL.
